

REMEMBERING "JACK"

JACK AND JAN KELLNER'S MEMORIAL FUND

John "Jack" Kellner began his career with The Gynecologic Oncology Group in 1980, serving as the Executive Director of Operations in the Philadelphia office. He passed away on April 24, 2009, after devoting over 26 years to the GOG.

The Gynecologic Oncology Group is proud to introduce the creation of the *"Jack and Jan Kellner Memorial Fund"*

Jack Kellner was instrumental in the formation of the GOG Data Manager Committee established in 1982. He recognized the significant and essential roles Data Managers serve in the overall success of the GOG trials.

In tribute to "Jack" the GOG has created a Data Manager *Speaker Fund*. The fund is established to cover costs associated with obtaining an outside speaker for committee meetings. Jack felt that it is of the utmost importance to keep our Data Manager's well-versed on current standards in our industry.
